Is My Martial Arts School Safe?

1 "ALL" Staff has completed and 100% passed a Complete					
National Background Check (Felony, Misdemeanor, Inmate					
Records, Probation Records, State/County Courts, Sex					
Offender Registries, Dept of Corrections, Federal Terrorist					
Database, Dept of Public Safety, Criminal Offense Registry)					

- "ALL" Staff trained and current in First Aid, CPR, AED (Defibrillator), and Safesport Certification
- AED (Defibrillator) and First Aid Kit within sight of staff/students?
- Electrostatic Disinfectant Sprayer (used before and after every class, every day)
- Schedule allows for electrostatic cleaning before/after classes (also social distancing)?
- Temperatures required taken before entering school for all people?
- Staff and students respectfully asked to leave, if thought to be possibly showing signs of sickness?
- Foam In/Foam Out Touchless Sanitizing Station for all students (similar to hospitals)
- Automated (Touchless) Dryers and Soap Dispensers in Restroom
- Fresh Air Exchange Units/System with ACPH Metric (Air Changes Per Hour, gym required minimum ACPH of 6.0)
- 11 Ultra-Violet Light in the return air duct of all HVAC units (UV lights kill everything, including Covid-19)
- Allergenic HVAC Filters between MERV 11 to MERV 20 (MERV is the rating of the filter)
- Engineered & Optimized Air Circulation Balance between all Supply/Return air ducts (report)
- Documented Daily Complete Cleaning Procedure (with sign-off chart)
- EPA Approved Cleaners and Disinfectants
- Social Distance System/Procedure (minimum 6ft)
- 17 Live-Stream Camera System (take classes at home if sick or by choice, and also allow spectators to watch classes real-time from their cars)
- On-Site Free Parking for students, minimizing distance traveled from car to school door
